NEIGHBORHOOD WATCH COORDINATORS MEETING

The City of Elk Grove Police Department Neighborhood Watch Coordinators Quarterly meeting was held Tuesday, October 9, 2007. The following is a summary of the meeting. Denise Costello, Crime Prevention Specialist conducted the meeting. Denise introduced Jennifer Rubin, Public Education

Office, CSD Fire Department as the first guest speaker. Jennifer mentioned this is Fire Prevention week and October 9th is Fire Prevention Day. She talked about having a “home fire escape plan” and home fire safety to prevent property loss, death and injury. We have fire drills in schools, at work, but not at home. We need to know how to get out of the house and teach our kids to make sure they know how to get out. Have a working smoke alarm and have everyone pay attention to it. Jennifer discussed the Community Emergency Response Team (CERT) training for citizens during a disaster. You receive special training to enhance your ability to recognize, respond to, and recover from a major emergency or disaster situation.

Dan Emerson, new Youth Officer discussed his duties and responsibilities for Youth issues. There are over 60 thousand kids in Elk Grove. In the future, there will be a Youth POP Officer assigned to each Elk Grove City Beat area zone.

Judy Nichols, Dispatcher briefly discussed the Communication Unit and her role and duties. She recommended we put into our cell phone the E.G.P.D. Emergency 714-5111, and Non-Emergency 714-5115. The #911 goes to CHP, and then transfers to 714-5111. It takes longer for a response.

Dave Feinberg works with Denise. He discussed major changes on Crime Definitions on the EGPD Website. There is an increase in home and car burglaries and on the website a

Daily Watch Summary that includes the Day and Night Watch list of crimes is posted. Also, Dave discussed the Crime Mapping Tool. You can query areas of Elk Grove and view crime information. Crime is reported in a specific area. He demonstrated on the website ways to use a tool that includes multiple search options based on type of specific crime, location and date range.

Because of an increase in residential burglaries, we need to be vigilant and keep our homes safe. Visit the website, click on Get Involve! Then Crime Prevention For Your Home and obtain Crime Tips For Your Home files, e.g., Burglary Prevention, Home Security, etc.
