The **National Night Out** was held Tuesday, August 4, 2009. It was a great success made by all who attended and brought delicious and nutritious food. We could not succeed without all of you! The friendly ambience created by those who care about others and joyful children made it extra special.

In attendance were the Mayor of Elk Grove Steve Detrick and Councilmember Sophia Scherman, Don Stangle, Emergency Operations Manager, Captain Bryan Noblett, Denise Costello, Crime Prevention Specialist, Robert Lehner, Chief of Police, Laura Gill, City Manager, Julius Lewis, Police Officer P.O.P. Unit & Juvenile Diversion, ,

Ana Solis, Code Enforcement Officer, CSD Fire Department, VIPS Staff members of the public, neighbors and friends. Hotdogs and sausages were served and everyone shared the food brought by our members. Thanks to Teresa Jones for cooking and serving and Anabel Crouch for assisting her. They were a great addition! Giggles the clown entertained the children with balloons and face painting. Thanks to Azalia Negrete, Isaac Negrete and Barbara Bello who helped with name tags. Thanks to Eric and Colleen Childers for the piñata. Thanks to Dan Walsh who took photos and Tony for the ice. Also, a special thank you goes to Patrick Crouch who made the beautiful National Night Out sign.

ICE

ICE stands for "In Case of Emergency". If you add "ICE" and the person who must be called in an emergency under the contacts list in your cell, emergency services will know who to call. Save a lot of time and have your loved ones

contacted quickly. Paramedics know what ICE means and they look for it immediately. ICE your cell phone NOW! Please pass this one along to all you care about.

EMERGENCY PREPAREDNESS

Mr. Stangle of Emergency Operations informed us of the following: **Know what to do if a Disaster Strikes** and visit the City of Elk Grove website: Emergency Preparedness for information to Make a Plan, Build a Kit and What to do if...

www.elkgrovecity.org/ep

In a major disaster, it might be several days before vital services are restored.

Knowing what to expect and the steps to take in an emergency is the key to protecting yourself and your family. Disasters can happen anytime and anyplace. When a disaster strikes you may have only a short time to respond or prepare for the consequences. An accidental release of a hazardous chemical could mean a need for sheltering-in-place or an immediate evacuation. A winter storm could confine your family to your home. A flood could cut off basic services in the community; things like gas, water, and electricity for days. The effects of a disaster can be sudden and devastating.

DON'T DRINK & DRIVE!

DON'T USE CELL PHONE OR TEXT WHEN DRIVING!

WINTERFEST 2011

We will continue our Christmas light and decoration contest for Best Decorated, Most Creative, Most Original and Honorable Mention. Watch for more information in November. Prizes are awarded. Start planning. Let's make this year even more creative, decorative and festive.

PROTECT OUR CHILDREN

School is in session and we have a problem with speeders. Please **do not** speed as we have many children who walk to the bus stop, play in our streets and ride bicycles. Saving a few seconds does not compare to the safety and life of a child.

SAFETY TIPS FOR TRICK OR TREATING

1. Wear reflective or light colored costumes.
2. Take a flashlight or small light.
3. Go in groups.
4. Don't eat candy until it is inspected.
5. Always be aware of your surroundings and do not accept candy from a stranger on the street.
6. Look before you cross streets!
7. Homes with no lights on are not participating in trick or treat. Do not disturb them.
8. Watch your step as it may be very dark around homes and some lawns have obstacles.

DON'T SPEED ON OUR STREETS!
