### PREVENTING MAILBOX THEFT

The theft of mail from residential mailboxes is a problem. Con artists use this as a means to obtain your identity information and to steal checks and other items of value. This

problem can be reduced or minimized by following these tips:

- Do not leave outgoing mail in your unlocked mailbox.
- Never leave your mail in overnight which includes placing it there on the weekend.
- Deposit mail in a blue collection box or inside your local post office. Don't leave mail in a collection box that is full.
- Make sure your home mailbox is in good condition. Mail that is exposed can be damaged by bad weather and is visible to thieves.
- If you see suspicious persons or activity, call 877-876-2455 US Postal Inspector to report thefts or 911 while the suspects are still present.

be a threat. Do not leave checks, credit card or bank information overnight in any mailbox outside of the post office. Shred any personal information before discarding.

- Home Invasions continue. Use dead bolt locks and keep doors and windows locked, including the inside garage door.
- Watch for anyone following you home while you are walking, biking or driving.
- Car theft and vandalism is the #1 crime in our area. Always secure your vehicle doors, windows, hood and trunk and use your car alarm when possible.
