CRIME PREVENTION TIPS

DO NOT BECOME COMPLACENT

- Always be aware of your surroundings-even at home and shopping! Watch for suspicious acting people.
- Identify theft continues to be a threat. Do not leave checks, credit card or bank information overnight in any mailbox outside of the post office. Shred any personal information before discarding.
- Home Invasions continue. Use dead bolt locks and keep doors and windows locked, including the inside garage door.
- Watch for anyone following you home while you are walking, biking or driving.
- Car theft and vandalism is the #1 crime in our area. Always secure your vehicle doors, windows, hood and trunk and use your car alarm when possible.
- Put all packages and valuables out of sight including telephones and garage door opener, bags, purses and wallets.
- Never attach a tag with your name and address to a key ring.

- Teach your children not to open any door to strangers.
